Note: *ACT Score is averaged for those who persist. For retention information, dark green cells for retention indicate more than 1% higher than the year average; dark red cells indicate over 1% lower than the year average; dark yellow cells indicate the range between 1% higher or 1% lower than the year average.
 For ACT information, dark green cells show more than .50 higher than the year average ACT; dark red cells indicate over .50 lower than the year average.
 dark yellow cells indicate the ACT range between .50 higher lower and .50 lower than the year average.
